128. urtica *divisa europae*
129. urtica
130. urtica *rhombica nova*
131. Parietaria *ex Europa*
132. Piper
133. Solanum *peruviana*
134. Solanum *mexicanum*
135. Eupatorium *calycis oppositi*
136. Solanum? *videt tantum calicem*
137. Ageratum? *folijs oppositis*
138. Malvigena *flumini, Solanum aut lappaceum repens*
139. Malvigena? *fl.*
140. nequeo hanc exhibere
141. Senecio
142. Senecio
143. Sibthorpia? *fruticosa, sed diffinita non video?*
144. Erigeron *truncatum. nova*
145. nequeo exhibere
146. Eupatorium *Laurinum*

viro Amicissimo, suavissimo Coadiutorum

Ed. J. C. HUTIS

Bolanus solidifrons et aulifrons. s. p. n. Car. Linné.

Datus a Te d. 6. junii 1773 hys diebus rite accipi, nec umquam gratioro
per totam vitam, cum diligencia erant tot rarij plantis, Arborib;
ut plane obfuscescebant. Ipse autem nullis rebus remanere delectat.

ut plane obliquescedam.
 Gratulor Tibi nomen immortale, quod nulla aetas unquam delebit.
 has die rectas per hoc octo dies volis et revolvi, exultari quodque
 nova se suspiciant planta nunquam vixit
 quodque maius similitudinem plantam, herba

novae species plantae
 Pl. n. 21 Mutillam dicam. Nunquam magis singularem plantam, Herda
 clamatitay. Fl. Symplocia. Lys. unquam audire. florem compertum
 in hoc ordine naturali.

В. декоммо е в рѣка Америка сѣверно в Англия и в Испания.

83 Lobelia quomodo facta e Columna

110 Leaky plot lit. *Divinaria* no grass

143. an *Salikora fusca*? *Flamm. nite* *colubina* *nigres*

2. *Artemisia* an 2 flores masculas non xiste.

12359 *Crataegus* an - flores magnos non vixit.
quale character singulari fructuato

18. Whether God quickly can communicate to all

27 Dime 2^{da} quina

29. Himeno Pelotgia

Correa infata atq. caudex nigro - an cori formis

24 Corrug. multifi. seu cutoni caridia

30 *Alouatta mexicana*

33 *Fringilla cyanea*

20 *Trochilus granadensis*

29 *Fringilla subaurata*

28 *Loxia palmarum*

Water very abundant throughout; water for 100 yds.

the same like bird 1774. D. 20 May 1774. 1774.

Ne facias nomen generica ab amico vel alio de.

Ne facias neminem gratum
 sed non meriti: erit enim tempus quod dignetur

arte non mangi, e si mangia per arte.
